IT IS RECOMMENDED THAT YOUR BOARD:

1. Accept \$1,956,003 in funding for the Fiscal Year 2011 Emergency Management Performance Grant as distributed through the California Emergency Management Agency;
2. Adopt the attached Governing Body Resolution which authorizes the Chief Executive Officer, or his designee, to apply for, sign, and execute Emergency Management Performance Grant awards and all future amendments, modifications, extensions, and augmentations as necessary for the Emergency Management Performance Grant funds;

Delegate authority to the Chief Executive Officer, or his designee, to enter into subrecipient agreements with Disaster Management Area Coordinators providing for use and re-allocation of these funds and to execute all future applications, amendments, modifications, extensions, and augmentations relative to the subrecipient agreements as necessary.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Department of Homeland Security, through the California Emergency Management Agency (Cal EMA) has approved grant funding for State and national homeland security efforts. This grant funding is provided to support comprehensive emergency management at local levels and to encourage the improvement of mitigation, preparedness, response, and recovery capabilities for all hazards and disasters. These grant funds will be used to strengthen information sharing and collaboration among all levels of government, private industry, and non-governmental and community-based organizations; strengthen emergency planning for both intentional and natural disasters; encourage citizen preparedness while integrating the needs of vulnerable populations; and provide guidance and support for enhancing primary and alternate Emergency Operations Centers to increase regional readiness and increase opportunities for professional training of emergency management personnel.

Following approval by your Board and the signing of subrecipient agreements with Disaster Management Area Coordinators (DMACs), the grant funds will be made available at the local level.

The Board has authorized the Chief Executive Officer (CEO) to administer this grant on behalf of the Los Angeles County Operational Area. The Board is requested to approve the attached Governing Body Resolution which provides a list of CEO personnel authorized to sign grant documents for the Emergency Management Performance Grant (EMPG). The CEO will also be authorized to submit other grant documents including, but not limited to, amendments, modifications, extensions, reimbursement requests, and future applications.

Implementation of Strategic Plan Goals

Access to this grant funding addresses the following County Strategic Plan goal: Goal 5 - Service Excellence, Strategy 2 – Disaster Planning: Evaluate and refine a coordinated countywide catastrophic disaster plan to ensure workforce and resident readiness and preparedness in the event of a large-scale emergency.

FISCAL IMPACT/FINANCING

The 2011 EMPG award is \$1,956,003. Of this amount, \$1,303,508 has been included in the Chief Executive Office, Office of Emergency Management's (OEM) Fiscal Year 2011-12 budget. The attached budget adjustment for \$653,000 is necessary to increase OEM's

spending authority and to recognize the additional grant funding. This program is fully funded by the Department of Homeland Security and distributed by Cal EMA. The 2011 EMPG has a 50 percent matching fund requirement which the County will satisfy through in-kind personnel services.

Of the total grant award, the Disaster Management Areas will receive \$1,290,962 and \$665,041 will be retained by OEM to support emergency preparedness and response activities.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Cal EMA has provided the Los Angeles County Operational Area with specific guidelines for the management and administration of this grant. These guidelines detail the activities and expenditures that are allowable under this grant.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This grant will assist the County and DMACs to plan and better prepare for all hazards and disasters. Emergency planning is a critical responsibility of local governments.

Upon execution by the Board of Supervisors, please send a copy of the adopted Board letter and three originals of the signed Governing Body Resolution to OEM for processing.
